## TESTIMONIALS

I was a science student till 12th std, so securing a rank by just spending around 5 months in this line speaks volume about the faculties at JKSC. I am thankful to all my professors for providing me the necessary support without which I am sure I could not have achieved this feat.

Aayush Jain, CPT Dec. '08 - **1st Rank**

The most important thing I admire about JKSC is that the syllabus is completed before time even before the completion date declared giving enough time for rigorous revision. Also all the professors are perfectly qualified and specialized in their fields providing sufficient guidance to clear the respective exams.

Akshay Bhuptani, IPCC May' 12 – **32nd Rank**

JKSC has been a huge help. The professors here with all their years of experience and teaching skills helped me clearing out the smallest of doubts. Taking the test series made me start studying early and on a daily basis. The entire seven months spent here were memorable and worth while. I would like to thank JKSC without which my results would not have been the same.

Varsha Agarwal, IPCC May' 12 – **33rd Rank**

For me there is no alternative to J. K. Shah Classes. It would be an understatement to say that the faculties at JKSC are amongst the best in the country. All the lectures at JKSC are fun-filled and one does not simply get bored, owing to interactive teaching by all professors. Thank you for fulfilling my dream of securing rank at CA exam. I am eagerly looking forward to Final CA lectures.

It is the effort and the dedication of professors that has helped me to achieve this feat. The study material issued by JKSC was exhaustive. I still remember the day when Prof. J.K.Shah told me that he wanted to see me again as a ranker in IPCC when I secured rank in CPT. It was that meeting with sir which inspired me a lot. Also the continuous motivation given by the various professors of JKSC has helped me.

Manish Gupta, CPT Dec. '08 - 7th Rank, IPCC Nov. '09 - **21st Rank**

All I would like to say is that, I enjoyed studying here. The timetable, though very tiring was always strict. All the professors were well organized about the subject matter. At last, I would like to say just that, I would always recommend JK's to any aspiring C.A.

Maithily Pore, CPT – Dec. '09 - 8th Rank, IPCC May '11 - **21st Rank**

The secret of success is three fold (a) hard work (b) teaching at JKSC © God's grace.

I believe, to the point, precise and conceptual teaching imbibed in me the confidence, to undertake a big public examination with confidence. Initiative by JKSC of holding an orientation seminar well before our exam helped me to plan my studies, to decide when to study and how to study. Everybody works hard but it depends on the teaching you have undergone which helps you to face the volatile situation of exams. Thanks to JKSC, I have succeeded in my PCC with flying colours.

Siddharth Parekh, PCC Nov. '08 - 14th Rank, Final CA Nov. '10 - **21st Rank**
