

## INTER CA MAY'19

### Test Series Program for Non-JKSC students

Dear Student, as your exam approaches, it is important to evaluate where you stand in terms of your preparation. The best way to do that is to let a third party test your concepts and application of knowledge. Hence, we present to you the Test Series Program for Non-JKSC students.

**Features:**

1. Full syllabus (100 marks) papers, to give you the feel of the actual exam and for more writing practice.
2. Test papers modelled on the pattern of recent ICAI papers to help you analyse your strengths and weaknesses.
3. Students will have the **flexibility to write any paper out of the set of papers in a given prelim group** (Please note: Students can only choose the paper but not change the date of the exam)

**JOIN  
NOW**

# Students Appearing for Both Groups

## Prelim - 1

Paper No.	Date	Day	Subject
