Dear student,

As the syllabus in class advances, it is important to subject yourself to exhaustive tests to evaluate where you stand in terms of your preparation. The best way to do that is to subject yourself to extensive and challenging tests which will help you gauge your level of understanding of concepts and application of the same. We present to you the **Test Series Program** for **Inter CA May'20** attempt.

Features:

1. A total of 25 unit tests will be conducted (50 marks each), to test the understanding of all concepts and topics.
2. 3 prelims (amounting to 24 full syllabus papers) will be conducted, modelled on the pattern of recent ICAI papers to help you analyse your strengths and weaknesses and to give you a feel of the actual exam.
