

Dear Inter N20 students,

As you all are aware that India is under complete lockdown upto 14th April, 2020. Tuesday. Moreover, the the exact nature and outreach of COVID 19 Pandemic is yet un-folding. In this scenario, we strongly advise you to continue your studies by making use of our online library accessible at online.jkshahclasses.com

On this platform, you can view the lectures pertaining to your course, completely free of cost. Please follow

1] Visit online.jkshahclasses.com

2] Go to "LOGIN" and enter your mobile no registered with the centre. You must use the mobile no. registered with us at the time of your admission.

3] You will receive an OTP on the registered mobile. Use that OTP to log in and view the learning videos. You can access all the videos through "My Library" icon on the page.

In case you face any issues, kindly send ONLY WhatsApp message to our helpline number 9757001272.

In case the registered mobile number is different than the one you are currently using then send WhatsApp message on the above number with your Name, Centre, Batch, New Mobile Number and Old Mobile Number. Your issue would be resolved within 6 hours.

However, in order to maintain similarity amongst all students of your batch - with respect to the portion completed, we have made a Study Schedule for you all.

You can see the video as per the Subject, Topics and Time given in the timetable. Thereby all students of one batch will be learning the same subject and same topic at the same time, rather than learning differently. We have received many query from the students nationwide, whether this portion will be taught face to face again or not. ?

Well, our priority will be to provide you the face to face lectures also for the above portion, however everything depends upon the situation and time left to complete the syllabus - which is highly unpredictable in the current scenario

So we urge students, not to waste any time and start studying from our Study plan

Stay safe and stay healthy

Regards,

JKSC
