Our website has got revamped and the lecture numbers are modified. Students now also have option to select – the lectures of which language they want to view.

The lectures which you have to view in current week is mentioned in the timetable. However in case you wish to refer to the lectures allotted prior – for your easy reference we are providing you with the subject wise INDEX of our online lectures. Please note this will get edited every week as and when the new lectures are added on our website.

Page 7 will state the link which will direct you to the folder which will contain the Subjectwise Index.
