

# J K SHAH CLASSES

Dear FYJC February 2021 Students,

Due to the ongoing lock down, all our face to face batches across the country are currently on hold. Also, there is uncertainty as to when the situation would return to normalcy. In this situation, when we have all the time in the world, we must use every minute of this time to our advantage and begin our preparations for the upcoming FYJC February 2021 exams.

Please view our special message for the students to appear for FYJC February 2021 here: <https://youtu.be/InsuVIU2XAU>

We, at J.K. Shah Classes are pleased to offer an Online cum Face-to-Face batch commencing from Saturday, 23<sup>rd</sup> May, 2020. In these unique Online cum Face-to-Face batches, we will start providing online lectures from 23<sup>rd</sup> May, 2020 so as to make the best use of your time right now. Once the lock down is lifted, we will be conducting face to face lectures at our branches. In addition to this, whatever is taught to you in these video lectures will be extensively taught once the lock down is lifted and our face to face lectures resume.

We will be delivering learning through our new online portal:  
<https://online.jkshahclasses.com>

A detailed explanation for using the online portal is given from Page 2 onwards.

Stay safe, stay healthy!  
Happy Learning! Best Wishes!

Thank you, Team JKSC

### **IMPORTANT NOTE**

For students who joined on or before 23<sup>rd</sup> May, 2020, their batch started from 23<sup>rd</sup> May, 2020 onwards.

However, there were few students who joined after 23<sup>rd</sup> May, 2020. For them the batch started from the day when they joined. In such cases we did not want them to join abruptly from in between the ongoing portion.

So for those students we have mentioned the timetable week wise and day wise.

Such students should see the lectures from Day 1 of Week 1 as mentioned in the Timetable and follow the weekly schedule as given – week 1, week 2 and so on.

We shall make past weeks timetables available for them in the current schedule itself.
