J K SHAH CLASSES

Dear CAFC Nov 2020 students,

You are being given the study plan/ timetable as per Hindi+English lectures. Thus your Timetable is being prepared based on those lectures and their respective duration.

However in case any student want to see the lectures in Only English language – they can view the same provided we have lectures of that chapter/subject available.

In case we do not have that chapter/subject available in different language students should see the allotted language only.

In case we have it available, then students can see those lectures of other language considering the same lecture duration given in timetable.

Thus for example- in case for Hindi+English lecture say any 1 lecture you are being allotted is of 2 hrs, then for Only English lectures you have to view the content for 2 hrs. However in that many number of lectures may be covered or few lectures may be covered – it depends.

Thus you need to view the content for proportionate time.

Please note - There is no change in the content that we are delivering in any subject and in any language, just the flow of chapter may differ because of different faculty
