1. LINKS.

This will contain all the links for all the material which is required for the lectures. This is updated every week. Hence for every new chapter allotted in the timetable, students should see this link page for all types of notes – textbook/summary notes used in lectures/homework solutions, etc.

2. INDEX.

Students now also have option to select – the lectures of which language they want to view.

The lectures which you have to view in current week is mentioned in the timetable. However in case you wish to refer to the lectures allotted prior – for your easy reference we are providing you with the subject wise INDEX of our online lectures. Please note this will get edited every week as and when the new lectures are added on our website.

That page will state the link which will direct you to the folder which will contain the Subjectwise Index.
