Dear Intermediate May 21 Students,

In the below mentioned timetable you will find the following –

1. LINKS.

This will contain all the links for all the material which is required for the lectures. This is updated every week. Hence for every new chapter allotted in the timetable, students should see this link page for all types of notes – textbook/summary notes used in lectures/homework solutions, etc.

2. INDEX.

Students now also have option to select – the lectures of which language they want to view.

The lectures which you have to view in current week is mentioned in the timetable. However in case you wish to refer to the lectures allotted prior – for your easy reference we are providing you with the subject wise INDEX of our online lectures. Please note this will get edited every week as and when the new lectures are added on our website.

That page will state the link which will direct you to the folder which will contain the Subjectwise Index.

3. Details of our LIVE face to face Doubt Solving Sessions

4. PORTION DONE.

## POINTS TO BE NOTED FOR "LINKS GIVEN"

1. In case you cannot click on the link given, try a different PDF Viewer or else copy the link (ctrl+c or right click and select copy) and paste (ctrl+v or right click and select paste) it in the address bar of the browser.
2. While pasting the link in the browser's address bar, do not enter any space before, in between or after.
3. For your easy understanding and readability, we have used a different font for the link whereby there is no confusion between the letters ( specially small and capital - I AND L - which other wise look almost similar I (capital i) and l ( small L)
4. So as to avoid any confusion, for your reference we are giving you the entire alphabet written in that font - in which we have written the links
