## POINTS TO BE NOTED FOR "LINKS GIVEN"

1. In case you cannot click on the link given, try a different PDF Viewer or else copy the link (ctrl+c or right click and select copy) and paste (ctrl+v or right click and select paste) it in the address bar of the browser.

2. While pasting the link in the browser's address bar, do not enter any space before, in between or after.

3. For your easy understanding and readability, we have used a different font for the link whereby there is no confusion between the letters ( specially small and capital - I AND L - which other wise look almost similar I (capital i) and l ( small L)

4. So as to avoid any confusion, for your reference we are giving you the entire alphabet written in that font - in which we have written the links

# J K SHAH CLASSES

Dear CAFC students,

You are being given the study plan/ timetable as per Only English lectures. Thus your Timetable is being prepared based on those lectures and their respective duration.

However in case any student want to see the lectures in Hindi+English language – they can view the same provided we have lectures of that chapter/subject available.

In case we do not have that chapter/subject available in different language students should see the allotted language only.

In case we have it available, then students can see those lectures of other language considering the same lecture duration given in timetable.

Thus for example- in case for Only English lecture say any 1 lecture you are being allotted is of 2 hrs, then for Hindi+English lectures you have to view the content for 2 hrs. However in that many number of lectures may be covered or few lectures may be covered – it depends.

Thus you need to view the content for proportionate time.

Please note - There is no change in the content that we are delivering in any subject and in any language, just the flow of chapter may differ because of different faculty
